Levy of octroi duty at Seringapatam :—

Letter no 506 dated the 5th March 1902 from the President of the Municipalities in the Mysore Distt.

In the above letter the President solicits sanction to the proposal of the Seringapatam Municipal Board to levy octroi duty on the marginally noted articles at rates prevailing in the Mysore City and other Municipalities, which are given against the said articles. The is being levied at present the undermentioned articles

ems	Rate
oil	2 as per Md.
or Gingilly oil	do
oanut oil	do
rosine oil	2 as per tin
Ses	2 as per Md.
nse oil	2 as do

articles :—

(1) Cocoanuts (fresh & dry)
(2) Betel leaves
(3) Jaggory
(4) Ghee.
(5) Sheep & goats
(6) Oil seeds
(7) Limes (8) Tobacco
& (9) cloth.

Such the extension of the duty now proposed is stated to be necessary to enable the Board to undertake works of improving the sanitation of the town.

The Board considers that by the fresh levy a sum of Rs 4,322/- may be realized annually. But the President thinks that, the quantity of articles expected to be imported is rather overestimated and that Rs 2000/- may be safely calculated to be the income.

2. The estimated income from

taxation for the previous 5 years, as follows:-

For 1899-1900 -	Rs	12,726-
1900-1901 -	Rs	12,950
1901-1902 -	Rs	11,320
1902-1903 -	Rs	9250
1903-1904 -	Rs	8970
Total :	Rs	55,215-
Average =	Rs	11,043

3. The population of Srirangapatam is 8,584. Hence the taxation per head is 1.28. If the present proposal is sanctioned, then the taxation will come up to 1.52 (taking Rs 2000/- as the probable realisation while the taxation in the District & Municipalities is Rs 1.5 per head).

4. Draft sanctioning the proposal is submitted. The matter is in Council one

Conjeevaram is a large town
and there is much to be done in it
which however for want of funds cannot
not be undertaken. The development
of the resources of the municipality
to the extent reasonably possible
deserves early attention. And
this matter was discussed by me
with the Kavalai Diwan when
both of us inspected the town
in June last. The scheme
proposed is quite unobjectionable
and may be sanctioned.

Sir,

As called for in your docket No. 3617/LF3-98 of the 23rd March 1904, I have the honor to submit herewith a statement showing the annual income estimated to be realized by the levy of octroi duty on certain articles imported into the town of Seringapatam. From a perusal of the figures given in the statement, I consider that the quantity of articles expected to be imported annually is, rather over-estimated. Anyhow, an income of Rs 2000/- at least may be safely calculated upon.
